

2024 Music Lesson Contract

David Southwick (hereafter "Instructor") and _____ (hereafter "Student") hereby agree to the following contract concerning music lessons:

The Student will have weekly lessons at Bridge Studios, 110 South Washington Street, Titusville, PA. For minors, a parent or guardian is required to stay during the lesson unless prior arrangement is made. The Student (and parent if applicable) understand that video surveillance is in use at Bridge Studios.

Each lesson will last 30 minutes and cost \$20 during the year 2024. Unless other arrangements are made with the Instructor, payment must be made to David Southwick at the beginning of each month by cash, check or Cash.app (contact the Instructor for details).

The Student will provide his/her own guitar or ukulele for lessons/practice. A piano is available for piano lessons. A drum set is available for drum lessons. The Student will be required to have a 1.5" three ring binder for printed materials (sheet protectors are also recommended). The Student will also buy the required sheet music and equipment at the Instructor's recommendation.

The Student (or parent if Student is a minor) is responsible for his/her own attendance. If the Student cannot attend a lesson, he/she must notify the Instructor at least 24 hours in advance. If there is a medical emergency, a written note from a doctor can be substituted for advance notice, and the student will not be charged. Otherwise, the Student will still be charged \$20 for the missed lesson. Frequent cancellations may cause a Student to forfeit his/her spot and be placed on a waiting list.

I allow my/my child's photo or video, and first name, to be taken and used for Bridge Studios' and/or Instructor's posts on Facebook/Instagram for promotional purposes. Yes No.
